(D) In Gebieten mit Schneefall ist oberhalb des Fensters eine Schneefangeinrichtung zu montieren.

(F) Dans les régions avec chutes de neige, un pare-neige doit être monté au-dessus de la fenêtre.

(GB) In areas with snowfall, protection or a deflector should be provided above the window.

(NL) In gebieden met sneeuwval moet boven het raam een sneeuwvanginrichting worden gemonteerd.

(E) En las zonas donde se presentan nevadas debe montarse un dispositivo paranieves por encima de la ventana.

(P) Em zonas com neve, é necessário montar um dispositivo coletor de neve por cima da janela.

(PL) W rejonach z opadami śniegu należy powyżej okna zamontować dachową barierę przeciwsniegową.

(RUS) В районах, где выпадает снег,
(UA) установить поверх окна приспособление для удержания снега.

(EST) Lumesajuga piirkondades tuleb monteerida akna kohale lumepüürdur.

(LV) Reģionos, kur snieg sniegs, virs loga ir jāuzmontē sniega savācējs.

(LT) Vietovėse, kur sninga, virš lango pritvirtinti sniego sulaikymo įtaisą.

(CZ) Ve sněhových oblastech je třeba nad oknem namontovat zařízení k zachycení sněhu.

(SK) V oblastiach so snežením sa musí nad okno namontovať prípravok na zachytávanie snehu.

(H) Ahol gyakran havazik, az ablak felett hófogót kell felszerelni.

(SLO) Na območjih s snežnimi padavinami je potrebno nad okno montirati snegolov.

(I) In zone nevose si raccomanda di montare un sistema paraneve sopra alla finestra.

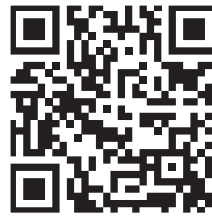

(HR) U krajevima gdje pada snijeg treba iznad prozora montirati uređaj za zaštitu od snijega.

(RO) În țările cu zăpadă, deasupra ferestrei se va monta un dispozitiv de captare a zăpezii.

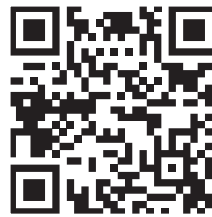

(GR) Στις περιοχές με χιονοπτώσεις πρέπει να τοποθετηθεί πάνω από το παράθυρο μια διάταξη συγκράτησης του χιονιού.

The roof window.
